We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. CHICAGO YOUTH PROGRAMS, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE 1. NATURE OF ACTIVITIES

The Chicago Youth Programs, Inc. is an Illinois not-for-profit corporation incorporated in 1988 to improve life opportunities for youth through the provision of a comprehensive set of programs directed and staffed primarily by volunteers.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in revenue. Conditional promises to give are not included in revenue until the conditions are substantially met.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles for not-for-profit organizations.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Donated Facility and Services

Donated Facility and Services have been recorded in the accompanying financial statements based on their estimated fair market value. These donations include the usage of facilities, materials and supplies, and services that require specialized skills. In addition, a substantial number of volunteers have donated significant amounts of their time to the Organization's programs and services, but no amounts have been recorded for the value of their services, in accordance with provisions of Accounting Standards Codification.

NOTE 8. ENDOWMENT

The Accounting Standards Codification (ASC) provides guidance on the net asset classification of donor-restricted endowment funds for a non-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds act of 2006 (UPMIFA). The ASC also requires additional disclosures about an organization's endowment funds (both donor-restricted endowment funds and board-designated endowment funds) whether or not the organization is subject to UPMIFA.

The State of Illinois enacted UPMIFA effective June 30, 2009, the provisions of which apply to endowment funds existing on or established after that date. CYP has determined that the organization's permanently restricted net assets meet the definition of endowment funds under UPMIFA.

CHICAGO YOUTH PROGRAMS, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE 8. ENDOWMENT (CONTINUED)

CYP has interpreted the Illinois Prudent Management of Institutional Funds Act (IPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent any explicit donor stipulations to the contrary. As a result of this interpretation, CYP classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditures by CYP in a manner consistent with the standard of prudence prescribed by IPMIFA.

In accordance with IPMIFA, CYP considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments (6) other resources of CYP, and (7) CYP's investment policies.

Endowment investment and spending policies

CYP has adopted investment and spending policies, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of these endowment assets over the long term. Endowment assets include those assets of donor-restricted funds that CYP must hold in perpetuity. Under this policy, as approved by the Board, the endowment assets are invested in a manner that is intended to produce results that match the rate of inflation.

To satisfy its long-term conservative rate-of-return objectives, CYP invests in bond funds, index funds and mutual funds.

CYP's spending policy will be at the discretion of the Board as determined by the governing documents for the donor-restricted funds that make up the endowment and applicable federal and state law.

As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.
