Chicago Youth Programs (CYP)

CYP's mission is to improve the health and life opportunities of at-risk youth using a comprehensive approach aimed at developing their capabilities. Our goal for each child is to complete a higher education degree, providing the opportunity to escape poverty and avoid all the health risks associated with living in poverty.

Every year, CYP, in partnership with Prudential Plaza, celebrates our Season of Hope to generate support for our youth. In the past, Season of Hope Sponsors supported CYP by sponsoring a tree displayed in Prudential Plaza's lobby from November 30th through the New Year. We are happy to announce that we are adding Season of Hope Virtual Tree, Virtual Wreath, Virtual Ornament, Virtual Sleigh, and Virtual Candy Cane Sponsorships this year.

Annually CYP also hosts a dinner reception as a thank you to our Sponsors. However, due to the pandemic we are unable to host the reception this year. While we enjoy this time of celebration during the holiday season and will miss it, sponsors can celebrate that 100% of their sponsorship amounts go directly to CYP in our efforts to support the health and life opportunities of the youth we serve, which are in times like these even more significant. Last year's event brought together sponsors from some of Chicago's top companies. We hope you can join us this year.
